

MELTON MOWBRAY

This year we are now enjoying some form of normality and we had a wonderful summer, with plenty of sunny and dry walks. It's now getting a lot wetter and colder, but that's winter for you. Most of our walks have been well attended and we have gained new members again this year.

As usual we are keen to advertise our walking programme, and in addition to e-mailing it weekly to the majority of our members and placing it on the website, we upload it onto the Ramblers "Walks Finder", have a regular section in the local weekly newspaper, The Melton Times, and local radio station, 103 The Eye.

We had two holidays this year. In June we spent three nights in Hartington and had some wonderful walks. In September we also spent three nights in Gargrave and had great walks too. The scenery was breath-taking in both places and the breaks were well attended.

St Mary's Parish Church, in Melton Mowbray, are organising a magnificent celebration of Christmas Trees from Friday 2nd to Tuesday 6th December again this year and we will be decorating a Ramblers tree, at this event, which is well worth a visit if you are able to go.

2022 has proved to be a fantastic year for our Group, and I'd like to say a big "thank you" to all our members for their support during the year.
