

Area AGM 2024 – LRWG report

Having seen LRWG's membership peak at over 120 last year, this year it dipped to just below 100. Following on from the success of the previous year's weekend away in Yorkshire we hoped to hold another trip away this year, this time in the Lake District, but it didn't take place due to lack of interest. The intention is to offer a weekend away in the Peak District during the coming year, as being somewhat nearer the reduced journey time might tempt more members to take part.

LRWG continues to offer a somewhat reduced programme of walks compared to the previous years. This is not due to any lack of demand for walks but to a lack of leaders. Thank you to our walk leaders who continue to put walks in the programme, but as always we need new walk leaders to come forward.

My thanks as always to my fellow committee members Mark Hewitt (Secretary and Footpath Officer), Phil Vose (Treasurer) and Kirsten McLaren (walks programme co-ordinator) and Barney Jones (new members / enquirers contact) for all they have done for the group over the last 12 months.

Rob Jones, Chair of LRWG
