

Area Secretary report 2024

The Area Secretary role is one of support:

- Arranging meetings
- Taking and circulating minutes
- Maintaining Area records
- Liaising with the Rambler's regional and national organisation

As such there is little to report unless things go wrong. I'd like to take this opportunity to thank those that have helped ensure things didn't go wrong in 2024.

The principal area records required include the members of the various group committees and the group constitutions. We now have most of the required records in place. I'd like to thank the people at the group level that aided me in collating the information.

As a member of the Rutland group, I was involved with organising the Area Walk in June 2024, which apart from the cows, the bull and the snake went well.

I am stepping down as Area Secretary this year for a number of reasons but primarily because I wish to devote my volunteering time to the Rutland group. I wish my successor and the area committee for 2025 a successful year.
