A set of fluctuating figures which is fairly typical of how membership locally and indeed nationally is going.

Central Office has recently announced another increase in membership fees which will, I think, impact membership rates in these difficult times The majority of members are either retired or approaching retirement age.

Membership rates recently announced are

Single £43 £3.58/month

Joint £58 £4.83/month

Life £943.50

Joint life £1168

Unlike in the past paying monthly does not incur a penalty.
