

The Warwickshire Centenary Way 2024

Hinckley Ramblers invite you to join them in walking The Warwickshire Centenary Way (WCW) from Kingsbury Water Park, near Tamworth to Upper Quinton, near Stratford. The walk is officially 99 miles long and we will be walking it over nine days from Saturday 20th to Sunday 28th July. You are welcome to walk all nine days with us or just whatever days you choose.

The walk is open to both members and non-members of Ramblers. Dogs are unfortunately not allowed. There will be a lunch stop, sometimes near a pub, each day and shorter refreshment breaks at other times; please bring your own food and drink. Sturdy footwear, preferably walking boots, is required and of course you should be prepared for whatever the weather decides to throw at us. A small first aid kit is also recommended. If you have any questions or wish to register your interest then please contact Mike I'Anson at mikeianson@icloud.com or 07753 355413.

If you would like to join us then please be at the following meeting points each day, ready for a 9:30 a.m. departure. We will then car-share back to the start of the day's walk and then walk back to our cars. In order to make the car-sharing work smoothly, please have no more than two people per car (i.e. driver plus one passenger). As most of the meeting points are in rural areas where post codes are of limited use, you are strongly advised to download What3Words (free of charge) to your phone and use that for navigation instead.

Please note that the distances and walking times (which exclude breaks) below are approximate.

Saturday 20th July (Kingsbury Water Park to Ridge Lane)
